Information Collection and Use

Byron Office Space Solutions, LLC is the owner and operator of the Byron Office Space Solutions.com website and the sole owner of the information collected on this site. The company does not share, sell, or rent this information to others in ways not disclosed in this statement. Byron Office Space Solutions.com collects information from visitors at several places on the website. Information is collected when any visitor requests information, becomes a newsletter member, enters a contest, participates in a survey, or contacts us for customer service.

Participate in a Survey

From time to time Byron Office Space Solutions.com will conduct surveys to determine better ways to serve our customers. Survey participation is voluntary; visitors decide whether or not to provide the information we are seeking. The information requested may include contact information, name and address, and demographical information. Survey information will only be used to improve the experience of customers visiting the Byron Office Space Solutions.com website and Byron Office Space Solutions offices.

Contact for Customer Service

Byron Office Space Solutions.com provides the email address WSeboth@BOSSofNC.com to allow visitors to contact us directly with any questions or comments. It is our policy to make every effort to reply within 24 hours. The information you provide in an email to Byron Office Space Solutions, LLC can be used to prepare a proper response to your question or comment. We do not use the email address or other information provided for promotional purposes, other than for Byron Office Space Solutions, LLC. We use the comments and suggestions of visitors to improve the experience of all visitors. We will sometimes review and discard certain information, but we may keep comments to refer to for future improvements.

Security

Byron Office Space Solutions.com takes every precaution to protect your sensitive information, both online and offline. We review our website security on a regular basis to ensure that our systems are fully protected and employ the most advanced technology for safety.

We want visitors to the Byron Office Space Solutions.com website to feel secure in the knowledge that they are safely providing sensitive information. ***We never transmit your credit card information to any outside party.*** Customer credit card information remains secure with Byron Office Space Solutions.com. To deny unwanted access to sensitive information provided by visitors to our website we use encryption technology to protect your personal data, including your credit card information to assure that every transaction you make at Byron Office Space Solutions.com will be safe.

Setting Cookies on Browsers

Byron Office Space Solutions.com may set and access cookies on a visitor's computer so that the visitor can take full advantage of the website's features and conveniences. Cookies allow us to customize the content seen, fulfill requests for products and services, and contact those who have expressed an interest in getting email newsletters and information on special product offerings. We keep track of visitors by using cookies set on the visitors' browsers. If a visitor sets a browser to reject cookies, usage of our site will be limited. For example, every order will require a visitor to fully fill out all the information needed to fulfill an order, whereas information stored in cookies can automatically provide basic and repetitive information such as a billing address.

Performance Tracking with Log Files

Byron Office Space Solutions.com uses log files to track the performance of the website. The IP addresses within the log files are not tied to our visitors' personally identifiable information.

Legal Disclaimer

It is the policy of Byron Office Space Solutions.com to protect the information provided to us by our visitors from all outside parties; both public and private. However, if required by law, or court order, or in the sincere belief that such action is necessary in order to be in compliance with our legal obligations, Byron Office Space Solutions.com may disclose such information as is necessary to comply with a legal process served on our company and the company's website.

Notification of Privacy Policy Changes

Any change to the privacy policy of Byron Office Space Solutions.com will be posted on the Privacy Policy page. The company will make every effort to post such changes immediately upon their taking effect. Byron Office Space Solutions.com pledges to keep visitors aware of information being collected, how it gets used, and under what circumstances it might be disclosed. Personally identifiable information will only be used in the manner stated at the time it was collected. If Byron Office Space Solutions.com ever decides to use personally identifiable information in a manner different from that stated at the time it was disclosed, the company will take reasonable measures to obtain email consent. Visitors will have the opportunity to reject the use of information in a different manner. In such a case the information will only be used in accordance with the privacy policy in effect when the information was provided by the visitor.
